Our goal is to partner with parents in teaching children to see and experience the world through the lenses of our beliefs.

Our desire is for them to have a biblical worldview instead of a secular worldview. Our worldview influences everything in our lives. We want our children to know that God's Word is the foundation for our lives and is the standard we use to judge every thought and action. Our Bible is perfect and true. If we use it as our foundation, it will guide us and change our lives.
