The Identity and Authority of Jesus— “Jesus is the Restorer of True Worship” Matthew 21:12-17

October 25, 2026

Pastor John Heston

The people of God had lost their sense of _____ and _____, treating what was meant to be sacred as Common

Cleansing the temple did not create a new vision for _____ — it reclaimed God’s original one.

Jesus measured His house by _____ and _____ — and that should still be the standard for ours.

Our goal is to partner with parents in teaching children to see and experience the world through the lenses of our beliefs.

Our desire is for them to have a biblical worldview instead of a secular worldview. Our worldview influences everything in our lives. We want our children to know that God's Word is the foundation for our lives and is the standard we use to judge every thought and action.

Our Bible is perfect and true. If we use it as our foundation, it will guide us and change our lives.
